

BISHOP ROBERT BARRON'S **CATHOLICISM** THE PIVOTAL PLAYERS

Join us as we continue Bishop Barron's (Video Series) *CATHOLICISM: The Pivotal Players*, our newest Parish Religious Study Program, which showcases over a six-week period, a handful of saints, artists, mystics, and scholars who not only shaped the life of the Church but changed the course of western civilization. The first three subjects were covered in the fall, while the final three subjects will be covered during the up-coming Lenten Season; each subject will be covered in two sessions. The last three subjects are: Blessed Bishop John Henry Newman, G.K. Chesterton, and Michelangelo.

Bishop John Henry Newman, the Convert, left a prestigious career to seek and preach the apostolic faith.

G.K. Chesterton, the Evangelist, publicly, humbly, and humorously announced the paradoxes and truth of Christianity.

Michelangelo, the Artist, dramatically demonstrated that beauty and creativity are a primary route of access to God.

Register below to journey with Bishop Barron under the guidance of Monsignor Frank on Tuesday mornings or Christine Ferreri on Wednesday evenings, and explore the lasting influence of these *Pivotal Players*.
